**SHIPPING:** See rates on previous page. We are using a **new shipping fulfillment company** – wineshipping.com. They are the largest, highest quality, most affordable shipper focused exclusively on direct wine shipping. Your **shipping rates are lower** this fall than last fall – by far – and in many cases we **can deliver your wine faster with less risk of temperature** damage throughout the year. There are 3 methods of shipping: UPS Ground, GSO, and UPS 2 day air. GSO is for CA, NV and OR only. You will note that the Ground shipping to the east coast is stated as 2 day. The rate is \$1 or so higher than what UPS would normally charge our shipper since our shipper **trucks the packages in a refrigerated truck across the country** and then delivers UPS Ground from their east coast warehouse so the package is only exposed to outside temperatures for 1-2 days like a 2-day air package. How amazing is that?! We will **start shipping wines in mid-October**. We will have an **Open House and Pick Up day** at the winery in Cloverdale on **November 13th**. If you want to come and pick up your order that day **select pick up at winery**. If you want to come to sample current release and library wines and eat delicious wood-fired pizza from Pangaea’s mobile oven, join in. **If you select pick up at winery, you must pick up your wine that day** or otherwise we will charge your card and ship to you the week following the pick up party.
