

PEAY VINEYARDS FALL RELEASE

Wines are limited and allocated based on previous purchasing history. When a wine is sold out it is likely gone for good unless we held a few cases back for emergencies. If your online allocation shows sold out, contact us please.

ORDERING:

You can **also head directly to our website** www.peayvineyards.com and select Purchase. Please use the user name and password you received when joining the mailing list for your allocations. If you **cannot find your user name and password**, your user name is the email address you gave when you signed up. Please click on the lost password button at the Wine Shop to be assigned a new password that you can change once in your account. **You can also fax** orders to 707-894-8723 using the form below. **If you would like more than your allocation**, please put your request in the wish list online or email andy@peayvineyards.com or jenn@peayvineyards.com. SHIPPING:

There are **3 methods of shipping**: UPS Ground, UPS 2 day air and Pick up at the Open House on November 16th. We use a **superb third party shipping fulfillment company**—Wineshipping. They get lower rates from UPS for shipping wine than any other company in the business. We charge you what they charge us. **If you get lower shipping rates from other wineries, they are subsidizing the cost of shipping. We decided not to raise our prices to cover that subsidy.** Money is fungible and we prefer transparency with our customers. All **Ground orders east of the Rockies** ship via Wineshipping's **refrigerated trucks to 5 temperature controlled warehouses located in New York, Dallas, Florida, Chicago and Atlanta.** UPS Ground picks up from these warehouses and delivers to your door within 1-2 days. **You will receive your tracking notice via email 1-2 days before the delivery.** The rates for this service are less than UPS Ground from California and much more sound for the wine. The only catch is we must determine at least one week in advance if we will ship your order across country to you in Wineshipping's trucks. For this reason, we attempt to be as conservative as we can be about shipping temperatures and will not ship unless forecasted temperatures are between 35 and 73 degrees. Shipping will start in October for "cold" states, December for "warm" states and will continue through the winter until it is too cold to ship.
