

PEAY VINEYARDS FALL RELEASE

Wines are available at the prices below for only three weeks during the release period and then will increase by at least \$2 per bottle. The number of bottles and wines offered are allocated and based on previous purchasing history but please reach out to us if you would like something in a greater amount. When a wine is sold out it is likely gone for good unless we held a few cases back for emergencies. If your online allocation shows sold out, please contact us.

SHIPPING:

There are **3 methods of shipping**: UPS Ground (temp controlled for South and East coast), UPS 2 day air, and Pick up at the winery on November 7th. We use a **superb third party shipping fulfillment company** – Wineshipping. They get lower rates from UPS for shipping wine than any other company in the business. We charge you what they charge us. **If you get lower shipping rates from other wineries, they are subsidizing the cost of shipping. We decided not to raise our prices to cover that subsidy.** Money is fungible and we prefer transparency with our customers. All **Ground orders east of the Rockies** ship via Wineshipping's **refrigerated trucks to 5 temperature controlled warehouses located in New York, Dallas, Florida, Chicago and Atlanta.** UPS Ground picks up from these warehouses and delivers to your door within 1-2 days. **You will receive your tracking notice via email 1-2 days before the delivery.** The rates for this service are less than UPS Ground from California and much more sound for the wine. The only catch is we must determine at least one week in advance if we will ship your order across country to you in Wineshipping's trucks. For this reason, we attempt to be as conservative as we can be about shipping temperatures and will not ship unless forecasted temperatures are between 35 and 73 degrees. Shipping will start in November for "cold" states, December for "warmer" states and will continue through the winter until it is too cold to ship.
